## Everything's Good and Green at Greenwood Mews

Among the latest offerings in the Bukit Timah area is an upscale cluster housing complex dubbed as Greenwood Mews. Nestled in the blossoming, suburban neighborhood of Greenwood, the 103-year leasehold is designed to be a wellspring of wellness and joy just outside the busy metropolis. With its thoughtful planning and tasteful styling, it will cater to cultured souls who desire to live in one of Singapore's most illustrious districts.

Greenwood Mews is set to occupy 271 Greenwood Avenue, the last available plot of land in the Greenwood enclave in District 11. The cluster housing development will be comprised of 62 landed homes, each one stylish and spacious enough for newlywed couples or families to establish a serene lifestyle. Living at Greenwood Mews, you'll have all the accommodations of a comfortable, modern home, plus an open roof terrace, a basement, as well as wet and dry kitchens furnished by Kuppertsbuch and Hansgrohe.
