A total of 360 lavish residences are found in this development. Each one has an unbeatable panorama of the cityscape and the sea, seen through the large windows. These homes all spruced up with high-end timber flooring, elegant kitchen appliances and fixtures, as well as brilliantly designed storage systems.

### **A Multitude of Comforts for the Busy City-Dweller**

Living in the bustling metropolis comes with a lot of perks, but anyone knows that it can take its toll through stress. But not to worry - a wealth of relaxation facilities are found on the fifth level, accessible through all three buildings. Live it up at the pool area, which has a 50-meter lap pool, a pool deck, and a wading pool for the kids. Wash away your weariness at the spa tub or the hot spa, then maybe work out a sweat at the gym. For a laid-back, “wish-i-was-at-the-beach” sort of day, you can catch some rays in the sunning lawn.

When you'd like to do some stuff with your peeps, you can schedule an event at the clubhouse, or just gather for a chat at the lounge. For a casual affair, you can have an outdoor get-together at the barbecue area.

Concourse Skyline also helps you minimize stress by providing you with comforts that lessen the haste and the hassle in life. For instance, the 380-slot car park gives you one less thing to worry about. Also, with 24-hour security, you can rest safely and assuredly at home.

It's also so relaxing to be surrounded by green landscaping, isn't it? It keeps you feeling fresh and peaceful in the midst of the din of the city. There's a lot of that here. There's also a waterfall, standing 5 storeys tall, that will help you keep things in perspective.

Finally, a spectacular Sky Garden crowns the development on the 29th level. You can take in the awe-inspiring view of the sea by day, or the spangling city lights at night. Or just hang out, either by yourself or with your special someone.

Sum total, Concourse Skyline is an unbeatable city address. It combines the best things in Singaporean living, and places them all within easy access. A bright, new home in this amazing condominium can be yours indeed.
