Have a quiet moment by the reflection pond.

There are also several ways to spend quality time with those you love. Enjoy the panorama of the metropolitan area from the viewdeck, which is particularly fantastic at night.

Nearby Amenities

Your life of bliss isn't just contained in your condo of course – you can experience more of it just beyond your doors:

Shopping Malls

You can't ignore how your new address is so startlingly near Singapore's world-famous shopping district, Orchard Road. The array consists of malls, department stores, supermarkets, shops, restaurants, and all; it's a true shopper's paradise.

Still, there are other shopping plazas close by, such as Merchant Square, UE Square, Great World City, Valley Point, and Robertson Walk.

Dining Options

Hong Lim Market and Food Centre is just a few steps from Starlight suites. You can also check out the choices on Mohammed Sultan Road and Unity Street.

Public Transportation

The Chinatown MRT is just within walking distance, giving you access to both the North-East and Downtown Lines. The Clarke Quay Station is also nearby. When you'd rather take the bus, you can catch one in one of the many stops along Havelock Road or Upper Cross Street.

Schools

Your school-aged kids can easily walk to school if you enroll them in the nearby River Valley Primary or Outram Secondary. If you'd like your kids to go into an international program instead, you can drive them to Chatsworth International School within 5 minutes.

For your youngest tots, there are pre-schools like Eton House International Pre-School, Fairfield Methodist Kindergarten, Arts Kidz, and the Chinese Kindergarten.

For your older sons and daughters, they can consider college at Singapore Design School Singapore Management University, or Dimensions International College.

Parks

Whenever you need to take a break from city life, you can go on a short retreat. The place is very near Fort Canning Park, Hong Lim Park, as well as Pearl Hill City Park.

There's No Need To Wish Upon A Star ...

... Because you can make your dreams come true yourself! All you need is a mortgage plan that works for you, and the right amount of expert guidance. Consider this: Starlight Suites is a divine choice for your next home. It also beams with investment potentials and possibilities, simply because of its location. A home at this fabulous condo can be yours as low as S\$1,350,160. If you have your eyes set on a penthouse though, you'll need something along the neighborhood of S\$6,120,324. With some good financial planning, you might just be able to manage it.
