## Verdant and Vibrant Living at Woodhaven

Awake each day to the sound of birds singing, the freshness of dewdrops and the warm glow of the morning sun. Spend bright afternoons embraced by sunshine, rich greenery, and joy-filled laughter. Then cap each evening in contentment and bliss, with the realization that you have a life truly worth living. That can be your daily routine at Woodhaven.

At Woodhaven, you'll find an enclave where you encounter happiness at every turn and beauty in every angle. Developed by Far East Organization, it's a 99-year leasehold where a quality is the top priority. You can find a home where you can let your ideal lifestyle take root, as well as satisfy your need for play and leisure.

This exclusive residential community is ingeniously planned to have three sections, each one

offering a distinct home type. All in a single site, you'll find condominiums, soho units and townhouses. Whether you're single, married, or growing your family, you'll be sure to find a lifespace that flawlessly suits your needs.

### 1. Condominium: Trendy and Fuss-Free

Woodhaven has eight mid-rise condo blocks of 5 storeys each, perfectly suited for singles or couples who prefer to keep things simple, yet crave style and swish. This of course isn't your typical city condo: to maintain closeness to nature, walkways are lined with trees and lovely plants. There are also a lot of waterscapes and fountains that echo the laughter of an ebullient brook. A strip of swimming pools runs through the middle of this section, creating a restful resort ambience. Each unit is endowed with a balcony that looks out into the pool area.

### 2. SoHo Concept Spaces: Utilitarian With a Contemporary Flair

At another part of the development are a cluster of soho units. These compact homes allow you to keep things efficient without giving up your sense of chic. The interiors have a clean, modern-industrial feel though made up of natural materials. Despite the cozy floor plan, the sohos create a feeling of airiness and spaciousness because of the high ceilings. Those on the first storey are loft-type spaces with 5-meter high ceilings, while those on the other floors have 3.6-meter high-ceilings.

Between clusters is a pool area, where residents can take things easy. The setting is further softened by pocket gardens and tropical trees

### 3. Townhouses: Sophisticated Family Living

39 Spectacular townhouses are arrayed on the remaining third of the development. These homes give off an elegant, ultramodern coastal flair, a sure scene-stealer. Every townhouse has two floors, plus a basement level and a rooftop garden. Verdant landscaping and water features are all around. The unique architectural concept employs window-walls to create openness and seamlessly integrate the outdoors with the indoors.

Here's something intriguing about the Woodhaven townhouse: you can't really tell which is the front and which is the back, because either facet is equally stunning, equally impressive. Is it your back door? Is it your front door? Or your “other” front door? Either way, one of the facades open directly into the swimming pool, perfectly blending the pool area with the interiors.

### **Lifestyle and Leisure Galore**

At Woodhaven, there are abundant means to spend some much-needed me-time, and more than enough ways to spend some quality time with the people you love. It's a place where good things abound. Green-trimmed courtyards, breezy walks, tree-lined avenues ... landscaped gardens, bright flower beds, cascading waters ... there are niceties in every niche.

The entire development has as much as seven swimming pools, including a 50-meter lap pool. There is also a lounge pool, a kiddie pool, and a hydrotherapy pool. And of course, these are accompanied by sun decks and cabanas.

The Clubhouse function room is a great venue for setting up any celebration. For a more intimate setting, you may prefer the Dining Pavilion or the Lounge Pavilion. For something more laid-back, take the BBQ Pavilion.

Get the gang together for a round of tennis, or work out with a buddy at the gym. Be sure your little children enjoy a lot of physical activity too, which they can get a lot of at the playground.

Can't be bothered to go to a spa? Take things easy and cool down at the Spa Pool or the Jacuzzi.  
Enjoy the Massage Jet Seats

Listen for the melodic songs of birds as you stroll through the manicured gardens. Catch up with your reading at the Hammock Grove, and maybe fall asleep to the cool breeze.

## **Verdant and Vibrant**

Woodhaven is at Rosewood Drive and Woodlands Avenue 1, near the Woodlands and Marsiling MRT Stations. The surrounding locale is likewise bursting with goodness - just in your neighborhood are Woodgrove Shopping Centre, Woodlands Civic Centre, Woodlands Town Garden, Woodlands Town Park East, Causeway Point, Woodlands Stadium and the upcoming Woodlands General Hospital. It's also just minutes from the Woodlands Waterfront.

Furthermore, it's good to note that the North Coast is right now being developed into a bustling economic hub that embraces Woodlands, Sembawang, Punggol and Seletar. In a few years, it will no longer be regarded as a sleepy, remote district in the far north; it will be eventually blooming with business centres and leisure spots, connected to the CBD via the new North-South Expressway.

Woodhaven is an exclusive residential community that lets you live in ideal idyllic environs that are just the most delightful thing to come home to. It will be ready for you before the end of this year. Far from the noises and crowds of the city, this picture-perfect dreamland is your reward here on earth. You know you deserve it – get in touch with iCompareLoan mortgage broker so they can guide you as you compare Singapore housing loans.
