Life in Full Bloom at Daisy Suites

Daisy Suites is an upcoming five-storey condominium on 35 Daisy Road in the Serangoon Planning Area (District 13). The 12,650 square-foot site is set within a suburban residential neighborhood, pleasantly framed by the hilly idylls of Bradell Road and the nearby Kallang River.

This freehold condo presents a splashy selection of twenty-five quality lifespaces. Having units with two, three, or four bedrooms, Daisy Suites can accommodate any size of family. If you've got a small family, or you're a young, newlywed couple just starting your own, you'd do well in a two-bedroom unit. There are 12 two-bedroom apartments in Daisy Suites, each with a floor area between 592 and 797 sq ft. If, on the other hand, you have a larger family and need more bedrooms, you'll live more comfortably in a three-bedroom apartment (764 1,044 sq ft), a three-bedroom penthouse (1,033 1,141 sq ft), or a four-bedroom penthouse (1,281 sq ft).

Each home will have gorgeous interiors - think of marble floors, wide windows, and ceilings over 4

meters high. Think of a well-equipped kitchen furnished with appliances by De Dietrich, and bathrooms with plumbing fittings by Duravit and Hansgrohe.

The best part about moving to Daisy Suites is having your very own private pool. That's right: each and every unit in the condo will come with a pool, snugly nestled in the balcony. Every day can be a pool party, right at your own home! There aren't many condos like this - in fact, the only other development with this luxury is located in the posh Orchard area. Moving to Daisy Suites will be just like living in a prime Orchard condo, but with a more affordable price tag.

Daisy Suites' Leisure Lineup

Apart from the private pool in each unit, the development will even have a large, communal swimming pool where you can swim in case you'd like a change of scenery. Next to it stretches an airy sun deck, where you can lay down as your skin is tinted to a healthy glow.

Sculpt your body at the outdoor gym, as you boost your mood and your self-confidence. And since there are only 25 residences in Daisy Suites, you won't have to wait through long lines and crowds of strangers.

Also on the ground floor will be a barbecue area, so you can grill a fresh meal outdoors, as well as a shrubbery-lined pebble path and some pocket gardens. These modest perks can do a lot to lift your spirits and add cheer to your life.

Lastly, the development will be equipped with a mecanized car park with 26 slots. You won't have to worry much about parking, since all you have to do is leave your car and it will be moved to its parking slot. Likewise, when you need to drive, your car will be placed before you.
