Is This A Resort in Miami? No, It's Palm Isles in Changi!

How would you like to have a tropical island getaway? Imagine a contentedly warm day spent beneath the cooling shade of palm trees, the sound of water near by. Imagine rising from your spot and heading down to the water for a refreshing swim. And at the end of the day, you head back into a pristine dwelling that has been thoughtfully designed to be relaxing. Then think about how great it would be to have this routine each and every day. Impeccable, right?

Imagine no more – it can indeed be your daily life at Palm Isles. Situated at Flora Drive near Changi Beach, Palm Isles is a beach-inspired residential community to be completed within the year. It's not just another condominium development; it's a paradise for those who believe in taking leisure to a whole new level. The tropical greenery, featuring two varieties of palm trees, are beautifully landscaped around the resort facilities, creating a lavish harbor. Palm Isles is another quality development by Frasers Centrepoint Homes.

Hotel-Style Lifespaces

The 99-year leasehold features three kinds of residences: condo units, suites, and garden homes. All in all, there are 429 up for grabs.

1 - Suites

With one to two bedrooms, the suites are sleek, compact apartments befitting a simple lifestyle. These are perfect for singles who prefer spaces that are straightforward and easy to maintain, or couples looking into a starter home. These suites are located in three different blocks beside a whole courtyard of amenities.

2 - Condominium Units

The development contains eight condominium blocks of mid-rise height, comprised of apartments with two, three, or four bedrooms. These stunning condo units are most suitable for couples or families.

3- Garden Home

There twenty-eight Garden Homes , or landed, terraced villas amid lush gardens. Palm Isles is, in fact, the only development in the general area to offer such homes. A Garden Home at Pal Isles is characterized by three floors plus a basement level and a rooftop terrace. It will also have a parking garage, a private garden, a private dip pool with sun deck, and a rooftop barbecue grill.

Beach Resort Facilities

A multitude of pleasures await you at Palm Isles – it's like a topical retreat every single day. Whether you feel like easing out, warming up, or cooling down, there's a corresponding amenity you can head to.

Near the condominium towers is the central pool complex, featuring two separate themed areas. On one side is the Palm Court, which is perfect for relaxing and getting a tan. It features a sparkling swimming pool called the Palm Oasis, surrounding which are a Lounging Deck, a Continental Water Shelf and a tree-filled Palm Plaza.

Opposite the Palm Court is the sun and Surf Court, which is designed for active outdoor fun and excitement. Around the Wave Pool is the Lounging Berth and the Wet-and-Wild Zone.

Between these two courts is a quiet zone designated as the Meditation Grove. Through it grows a tree-lined Palm Avenue, between a Mangrove Pond and a Water Lily Pond. In the middle of each pond is a charming Meditation Pavilion.

Toward the three suite towers are even more amenities, such as a 50-metre lap pool, a tanning deck, a water deck, a waterfall and a hammock grove. There are also spa seats, spa beds, a dip pool and an aqua gym. You will also find a clubhouse which contains a function room, a gym, a steam room, changing rooms, and a shop. Further on are the kids' play area, fitness decks, barbecue pavilions, tennis courts and a canopied boardwalk.

Accessibility

The development has two gates; just choose whether you would like to drive via Changi Road North, or Flora Drive. From there, you can easily drive toward the TPE, the PIE or the ECP.

If you enjoy taking the MRT, you can catch a ride on the East-West Line at the Pasir Ris or Tampines Station. For those days when taking the bus is more preferable, there's a bus interchange at Pasir Ris and another at Tampines, and yet another at the Changi Village Bus Terminal. And sometimes, the ferry may be more suitable, and that what the Changi Point Ferry is for.

Further Comforts and Conveniences In the Neighborhood

The surrounding areas provide you with the ordinary essentials, many much-needed comforts, and a slew of amusements. Aside from Changi Airport, Changi Business Park, and Singapore Expo, you've got other places like malls, restaurants, parks and others.

Go shopping at any of the nearest malls, like Century Square, Downtown East, Tampines 1, or Tampines Mall. There's even an IKEA in Tampines, where you can shop for stylish furniture and housewares.

Chow down at Changi Village Food Centre, Changi Village Seafood, Bistro @ Changi Beach, The Coastal Settlement, or one of the many eateries in the neighborhood.

Whenever you feel pressed by the busyness of your life, you can always take a break at Changi Beach Park – let the wind tousle your hair as you admire the blue waves. You may also choose to head down to Tampines Eco Green, Pasir Ris Town Park, Bedok Reservoir, Sunplaza Park, or Pasir Ris Fishing Pond. If you're in the mood for some play or sports, you can drive to Laguna National Golf and Country Club, Tanah Merah Country Club, or National Service Resort and Country Club; or perhaps you'd prefer Changi Beach Club, Changi Sailing Club, or Wild Wild Wet Waterpark.

Your children can go to a nearby school like Pasir Ris Primary, Coral Primary / Secondary, Kinderland Preschool, White Sand Primary, Dunman Secondary, Tampines North Primary, or any of the others in the area. For college, they can enroll in Temasek Polytechnic, or ITE College West.

You've worked hard for your money, so you know you deserve a peaceful, comfortable life in a tropical paradise. Ask someone at iCompareLoan mortgage broker about the best way to compare Singapore housing loans.
