A Dose of Serenity and the Freshness of the Breeze

Find peace and pleasure at Serenity Breeze, a new residential address in District 15's Telok Kurau area. Its overall concept aims for a satisfying balance between the contemporary and the classic. It will be ready with its 12 freehold residential units by 2017, thanks to Success Century Group.

Serenity Breeze is at the 98th lot of Lorong J Geylang, just a short stroll from the Kembangan Station (East-West). Two stops down is the Paya Lebar Station, which is an interchange for the East-West and Circle Lines.

The site is located in an area where you can enjoy the quietude of suburbia and the freshness of the East Coast, as well as the dynamic heartbeat of the city. It's only a few blocks from the East Coast

Serenity Breeze will be a modern sanctuary that maximizes the tropical environment, a melding of the chic and the charming. Its architecture and interior design will combine the sleek polish of glass planes and the rustic warmth of hardwood. In a luxurious finishing touch, the development will have a swimming pool and garden landscaping.

As a low-density development, there will only be 12 units all in all. The home types available in Serenity Breeze include 2-bedroom flats, 3-bedroom flats, and penthouses. These will be finished with branded materials, such as fixtures by Duravit, Bosch, and Hansgrohe. Balconies and full-length windows will allow residents to enjoy the breeze as well as a generous amount of natural light. You can also appreciate a good view of the surrounding estates from your home: you'll witness a green-fringed panorama under the blue sky by day, and the twinkling of lights by night.

Serenity Breeze is something to look forward to. You and your family will love coming home to a
