An upcoming luxury condominium in Bukit Timah is positioned to change the way you live - The Asana. Expressly fashioned to exude elegance and sophistication, the 99-year leasehold will be occupying a prime location on Queen's Road, halfway between the Singapore Botanic Gardens and Rochor River, and near Orchard Road. It's also a very accessible location since it's close to MRT stops including the Botanic Gardens Station, Farrer, and Queenstown Stations, as well as chief thoroughfares like PIE, Bukit Timah Road, and Farrer Road.

The word “asana” in Sanskrit refers to the various poses in a certain branch of yoga - the ways in which you can position your body so it can be in tune with your spirit. It concerns quieting your mind and attaining the perfect balance of your whole self, so you can unleash the best person you can be.

Similarly, the Asana Condominium poses you for inner tranquility and the utmost well-being so you can access the best aspects of yourself. Everything about it - the home design, the wellness aspects

and all - condition you to attain an impeccable quality of living. To begin with, the overall plan keeps nature in mind, an homage to the verdure and environmental features found in the nearby nature reserves.

The recreational amenities play on water, air and light so you can rejuvenate yourself daily in a way that perks up your body and soul. Take for example the pool area: There's a 50-metre pool for serious laps, and a smaller pool for a more leisurely swim. Come over to catch some sun and get some good air into your lungs. There are also some al fresco dining pavilions, the sky pavilions, and a sky lounge where you can enjoy the outdoors without exactly leaving home. For your health and relaxation, you can make use of the aerobics room, the indoor gym, the hydrotherapy baths, the spa tub, the onsen, or the steam room. If you have something else in mind, you can make use of the reading room, the piano room, or the pool room. The children, meanwhile, can have fun at the kiddie splash pool or the playground.

Pleasantries All Around

Whatever you fancy, you can find it close to the Asana. Shopping, dining, picnicking, adventure, sports - there's a nearby setting for each.

At the top of the list is the Singapore Botanic Gardens, a florid urban sanctuary where you can escape to. It's just within a walk from the condo, and the freshness is sure to uplift your spirit. On those days when you're in the mood for someplace away from the city, you can go to Bukit Timah Nature Reserve, Central Water Catchment, or Mac Ritchie Reservoir Park. It will only take you a short drive.

There's a wealth of commercial centres within a short distance as well. Dine, shop, or just hang out at Holland Village, Dempsey Hill, Cluny Court, or Coronation Plaza. There are also a variety of dining spots and retail establishments all around. But of course, the most exciting place to go for that sort of fun is Orchard Road.

If your idea of recreation involves sports, you can take a look at the activities you can participate in at the Tanglin Club, or the American Club. And don't forget to consider the Royal Tanglin Golf Course.
