A Superb Location

A Treasure Trove now sparkles in District 19, right in the north-eastern region's Punggol New Town. Punggol is a relatively young locale, imbued with a lot of promise and potential. A seafront town in the works, Punggol is thoughtfully master-planned to be a serene but vibrant residential zone, supplemented with cutting-edge infrastructure and facilities. Among the things to look forward to is Punggol Waterway, which will offer an abundance of recreational options such as a waterside promenade and water sports amenities. It will also allow better access to other destinations such as Coney Island, the golf driving range, and a new horse riding centre.

The site for the development itself is at 70 Punggol Walk, just a short distance from the Punggol MRT Station. IF you've got a car, it would be easy for you to drive to take the TPE, KPE, CTE, or SLE.

A Place To Call Home

These days, home is more than just an address to return to at the end of the day. In Singapore, property developers have really raised the bar when it comes to residential spaces: modern technology is combined with a penchant for comfort and sophistication, to produce the best homes possible. A Treasure Trove's developer, Sim Lian JV teamed up with Design Link Architects to come up with all these amazing life spaces. So beyond having a good location, it all comes with a variety of spacious floor plans, posh interiors and a sense of satisfaction.

Fourteen towers of 16 storeys each will yield a total of 882 residential units:

- 2 Bedroom flat (775 sq ft) - 210 units

- 2 Bedroom + study (915 sq ft) - 90 units

Luxuries to Enjoy

A Treasure Trove offers more than just a place to live - it also provides a haven for relaxation, building relationships, and just having fun.

Take to the fitness corner regularly to boost your health and your energy. You may also opt for a game at the tennis court, or a few laps in the pool. You can also try the hydro gym for a low-to-moderate intensity workout. Your kids can have some exercise while having fun at the playground.

When you need to wind down, just head for one of the many leisure pools, the spa pool, or the sauna.

If you'd like to have a small party or an intimate gathering, you can do it at the BBQ area, the clubhouse or the function room. There's also the multipurpose deck and the pavilion.
