Reignwood Hamilton Scotts greets you warmly with the most regal main lobby a residential building has ever had. Apart from its grand interiors, it has a doubly-high ceiling that creates an ambience of openness and poshness.

A Cutting-Edge Security System

You can live contentedly and assuredly knowing that you and your family will be safe every day. Access into the building is safeguarded by biometric technology and an audio-video intercom; in addition, the fully automated mechanised carpark is protected by a barrier system. There is also the added security provided by colour CCTV.

Posh Homes For the Privileged Few

This elite address offers only 54 three-bedroom apartments and 2 exclusive penthouses, each one an embodiment of class and sophistication.

The generous floor area allows for capacious interiors, so you can expect a separate living room and dining room. The high ceilings (2.9 to 3 metres) and large, glass-panel windows permit a good amount of illumination and circulation - easily a welcome asset in urban spaces. The lustrous marble floors reflect not only the light, but also your penchant for quality and good taste. Meanwhile, the highly modern kitchen comes with a wet kitchen and a trendy dry kitchen, installed with a Poggenpohl system and Miele appliances.

Every master bedroom is a spacious private sanctuary, graced by timber flooring, plus a built-in

The En-Suite Sky Garage

What makes Reignwood Hamilton Scotts unique are the Sky Garages in each home. A Sky Garage allows you to put your collectible cars on display, behind a glass wall and adjacent to the living room. Making this possible is a car lift that takes you from street level straight to your own home.

A Refreshing View

Reignwood Hamilton Scotts offer beautiful scenery, including Goodwood Hills, which is 25 florid acres of tropical rainforest. Also within sight is Bukit Timah Hill, which is just 15 kilometres away.
