- Verdure Berms

With these, no day will be “another normal day” at the Santorini. Just envision how wonderful things can be: Start your morning with a few laps in the pool, so you can power up just before you head for work. In the evening, after a busy work day, you can activate your happy hormones at the fitness zone or the aqua gym. On weekend afternoons, you can take a leisurely swim or have a relaxing sun tan; you can even enjoy a game of tennis. After sundown, you might want to laze out in a hammock, or have a nice barbecue with friends and family. If you have children, you can take them to the playground or the kiddie pool for some great fun.

Apart from that, you can easily visit Tampines Central Park, Tampines Quarry Park, Sun Plaza Park, or Tampines Eco Green to enjoy the outdoors. They’re so nearby, you can drop by any time you can for an instant haven. Also within a reasonable distance is Bedok Reservoir Park, where you can enjoy a breadth of activities, from a calm photo walk to some invigorating water sports. For other activities, check out Tampines Swimming Complex, Tampines West Community Club, Tampines North Community Centre, or the Regional Library.

When you need to go shopping or feel like grabbing a bite, you can go to any of the shopping centres close by, such as Tampines Mall, Century Square, Tampines 1, or Festive Mall @ Festive Plaza. You might also want to check out IKEA, Giant Hypermarket, or Courts Megastore.

Thinking of finding employment nearby? You can consider looking into Changi Business Park, Tampines Retail Park, Tampines Wafer Fab Park, Ubi Industrial Park, or Kaki Bukit Industrial Park.

For families with children, it will be such an advantage to be within proximity of several schools. Your primary schoolers can attend Tampines Primary School, Poi Ching School, or East View Primary School. Meanwhile, your teens can receive their education from Tampines Secondary School, Pasir Ris Secondary School, Junyuan Secondary School, Springfield Secondary School, or St. Hilda's. In turn, your college-aged children can choose from educational institutions such as Temasek Business School, Temasek Polytechnic, Temasek Design School, and UWCSEA (East Campus).

Getting around is delightfully easy too - you can get a ride at the nearby Tampines MRT station (East-West Line) or the bus interchange. In a few months, the Tampines West Station (Downtown Line 3) will be operational as well. When you'd prefer to take your own vehicle, you can drive via Tampines Expressway, KPE, CTE, or PIE.

The Santorini truly is a brilliant choice for your next home. Not only will you be living in privilege and luxury, but you'll also be well-connected to all the contemporary comforts Singapore can offer. And even if a modern Mediterranean-inspired lifestyle isn't quite your thing, it would still benefit you to select a suitable investment unit. All you need now is a loan plan that fits you.
