other issues in life. There are two conserved warehouses one of which will act as a reception for the serviced apartment while the other will act as a place for commercial purposes. If you are looking for a serviced apartment, then opting for the development can be a great move.

Individuality & community

For a given residential facility to make you comfortable, there are several things you need to check out. For example, you need to take into consideration the community. With the development which attracts likeminded people, you will always feel at home. The nearby Robertson quay allows you to relax. You can choose to spend time alone reading or even go out for a cup of coffee. For football lovers, you can easily catch a football match due to the available facilities near the residential property.

Contemporary, Crafted Luxury

You need to enjoy life; Riviere is designed to bring out the luxury feel. With elegant spaces and the carefully selected finishes, you will feel the highest level of luxury. For instance, the flooring features large marble slabs among other latest finishes. For the kitchen, you will have a feel of the latest appliances which will make you feel at home at all times. You get to enjoy the pleasures of life to the fullest due to the way the designers took time to incorporate what luxury life demands.

Fashionable Lifestyle Destination

The nearby warehouses have been transformed to form part of Riviere attractive lifestyle. For instance, they incorporate stylish and trendy lifestyle features. For example, you can enjoy the comfort of Chic Riverside Bistros, modern bars, culinary school to make it easy for you to learn about the community as well as friendly grocers. You have everything you need to enjoy your modern living.

Bespoke Services

The development incorporates bespoke services to make your modern living easy. You can be sure to enjoy concierge, housekeeping services, laundry among other services you need to enjoy everyday life. You just call and the services will be availed to you. When it comes to serviced condos, the Riviere stands out in several ways.

Modern Conveniences

You need to enjoy life after you spend money buying the serviced apartment. With the use of the state of the art technology, you can easily access different services designed to suit the needs of your daily life. Apart from the incorporation of the latest technology, the residential property offers spectacular views of the Singapore River. The careful selection of the location makes the serviced apartment stand out. It is a place where you can buy and enjoy life with your family members. There is a lot for you to enjoy.

Buying process

You may like to grab your unit before it is too late but you do not have all the money. With the iCompareLoan mortgage broker, you can easily locate the best Singapore housing loans. You need to take into consideration different factors before you proceed to get a given loan for the home. With the services offered by the broker, it will be easy to locate the best Singapore home loans which you can easily afford. Working with a reliable mortgage broker will speed up your process of trying to book the best unit in the serviced apartment.
