The MidWood @HillView Rise: District 23's Latest Premium Condo

Located in 8 and 10 Hillview Rise, Midwood is a new property launch that has been quickly drawing attention. The 564 residential-unit condo is developed by Hong Leong Holdings Ltd, one of the prominent developers in Asia. This private condo is found within the lush greenery of Singapore's District 23 with a wide range of spacious units to choose from. But why exactly should you consider buying a unit in Midwood? **Midwood Condo: Why Should You Buy It?**

Even though there are many condos in Singapore, none of them can match what Midwood offers. This is a premium development with a highly attractive entry price. The development features full condo facilities. The interior design is exquisite while the facilities are five-star rated. This includes a swimming pool and a sun deck. Besides those, there is also a playground for kids and BBQ pits among others.

The unique residential development has quality finishes and fittings only found in luxury homes. Its facilities provide full family entertainment for adults as well as children. Whether you want to socialize, keep fit by working out, or enjoy a pampering session to release stress, you can indulge in all those freely. Living here allows you to enjoy the modern city lifestyle while nestled in a serene urban enclave. **Midwood Condo Lifestyle**

This new property launch offers you a beautiful city lifestyle in a refreshing environment. Besides that, Midwood is in close vicinity to a wide range of premium amenities. So whether you want to hang out with family, friends, eat, move, or shop, there are numerous facilities to cater to these. They include: **Premium Retail Outlets**

If you are a shopping fanatic, you are going to be spoiled for choice. Midwood residence is just a few minutes away from supermarkets and shopping malls. In fact, most of them are within walking distance. They include Hills V2 Mall, Bukit Panjang Plaza, Junction 10, and Rail Mail among others. These places have everything that you need, from essentials to luxury designer items.

A Wide Range of Food and Beverage Outlets

Eating out and sampling different cuisines is something that you will enjoy while residing in this property. There are cozy restaurants as well as street stalls where you can pick a snack or two. You will have a chance of engaging your taste buds with different edibles from some of the popular dining options including the Joyden Canton kitchen, Kinsa Sushi, Wine Connection Bistro, and Dean & Deluca.

Beautiful Recreation Spaces

While the new property development itself is still spacious for games and outdoor relaxation, you can still enjoy exploring parks and reaction clubs. Within this neighborhood, you can find the Bukit Timah Nature Reserve Park, Singapore Turf Club, Bukit-Batok Nature Park, and Grandstand among others.

Elite Learning Facilities

Learning institutions are essential for any growing population. If you are going to stay in Midwood, you don't have to worry about getting the best schools in Singapore. The development is just a short drive from some of the elite schools in Singapore. They include Our Lady Queen of Peace, the German European School, Chestnut Drive Secondary, Fajar Secondary, and Lianhua Primary School among others. **Multiple Transport Options**

You can easily move to different parts of Singapore if you live in this development. Midwood's location means that it's within a seamless transport network. So, there are multiple options to choose from depending on your preferences. For instance, the Bukit Timah Expressway is just a few minutes away while Hillview MRT Station is 300m from it. Alternatively, you can use the Pan Island Expressway. **Consider Your Finances**

Buying a property is one of the best things to do. Knowing that you fully own a place gives you peace of mind that you so much need to thrive in life. But one thing that usually stands out is your finances and mortgage. You definitely have to sit down and consider where you are going to get the best mortgage.

Note that it's not easy to compare Singapore housing loans. There are so many lenders and this can make the process quite confusing. But with the iCompareLoan mortgage broker, everything has now been simplified. You can easily compare Singapore home loans without physically visiting the loan providers.

The online platform allows you to compare all bank rates and find the one that suits your needs. Besides that, you can quickly calculate your mortgage repayment. This gives you a clue about how much you need and how long you will be repaying it. Lastly, all the services are absolutely free and you can even get in touch with the bankers directly.
